Dear Sister-to-Sister Conference Supporter,

Greetings from Asian American Recovery Services! Our 15th annual leadership conference "Sister to Sister: A Celebration of Asian/Pacific Islander Women of Tomorrow," will be held on Thursday, May 27, 2010 from 8:00 am – 4:00 pm at the San Jose Masonic Center in San Jose, California. The purpose of the conference is to build self-esteem and empowerment of Asian/Pacific Islander young women through workshops, activities, and entertainment. Some examples of our workshops are drug and alcohol education and prevention, sexual health education, body image, dance and healthy relationships. By integrating aspects of culture and identity into the workshops, youth will be able to take pride in who they are contributing ultimately to a positive self-image.

We are expecting over 300 young women to attend this year's anniversary conference! Today, you can make an immediate difference in the lives of these young women. We would like to request a donation of any kind (i.e. gift, certificates, merchandise) and/or sponsorship from you or your organization to help make this a special event for these young women. Each \$50.00 you send provides one young women admission to the all-day conference. For further details on sponsoring an attendee or donating to the conference, please contact the Sister to Sister Conference Committee at (408) 271-3900 or visit the program website at <http://www.aars-inc.org/programs/sis2sis.html>. All donations are tax deductible. We hope you will join us in our mission and we look forward to your forthcoming response. Together we can guide our youth to reach their potential. Thank you in advance for your kind support!

Sincerely,
